

## Maturity Institute Orientation

### What you learn

Our one-day MIO program (or 5 x 90mins online) provides you with an introduction to organizational maturity and human governance. The program covers our core standards for professional practice:

- Understanding the maturity scale and organizational rating
- *Total Stakeholder Value* and how organizations create added value
- The MI Ten Pillars: our core values and principles that link human capital to organizational value
- Enterprise Risk: the 12 core dimensions of understanding material people risk

- The Strategic Framework: maturity in practice - from purpose to systems & roles

### How you benefit

You will be able to immediately take value-adding ideas into your own work

You will join and be supported by a growing, dynamic and diverse group of MI professionals practicing in corporate, advisory, and investment contexts

You automatically gain MI Affiliate status and get membership benefits such as online webinars and our knowledge-sharing network

### Next steps

If you would like to join our next MIO program, we run open, online and in-house versions. Please contact [paul.kearns@maturityinstitute.com](mailto:paul.kearns@maturityinstitute.com) and tell us:

1. More about you – please provide a bio or CV/Resume
2. What attracts you to MI and why you want to become a Maturity and Human Governance specialist
3. How you can contribute to our newly emerging field of practice
